CRYOGENIC HEAT EXCHANGER AND SYSTEM ENGINEERING GLOBAL LEADER
WORLD CLASS COMPANY WITH HEAT TRANSFER TECHNOLOGY

GLOBAL LEADER

“Cryogenic Heat Exchanger and System Engineering Global Leader.”
 “World Class Company with Heat Transfer Technology.”

Since its foundation in 1980, DongHwa Entec has been specializing in manufacturing a wide range of heat-exchangers, from marine heatexchanger repairing service to heat-exchangers for power-generation and plant industry. Currently, we are heading into new arena of special heat-exchanger for LNG liquefaction & gasification plant.

Besides domestic market, we also successfully diversified overseas business in Southeast Asia, Middle-East and Europe. Subsequently, we generated more than 80% of sales in abroad, and today we have become the leading heat-exchanger manufacturer in Korea. We keep the slogan “Once be customer, always be customer” in our mind. In a preparation for our future success, DongHwa Entec places top priority on “customer” as an external determinant. We will exert ourselves to fulfill customer’s “needs”, touch customer’s heart and keep in tune with customer throughout manufacturing, delivery and follow-up service of all products.
